BACKGROUND

The Minutes of February 1, 2005 were submitted and approved at the March 8 meeting. As you may recall, that meeting was "standing room only" in the Council Chamber, the Community Room, and Foyer. Several submitted speaker slips and because of the lateness of the meeting and the number of people, left and did not speak. Some provided comments on the speaker slips.

Subsequent to the March 8 meeting, it was suggested that although names were called and comments were read into the record, the record should reflect the names of all who submitted speaker slips, whether or not they spoke, were present, or left the meeting.
