COUNCIL AGENDA: September 26, 2006

TO: City Council

VIA: Dennis R. Halloway, City Manager

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer

SUBJECT: Application to the State of California Resources Agency for the Proposition 50 California River Parkways Grant Program

RECOMMENDATION:

It is recommended that the City Council authorize staff to submit an application for the Proposition 50 California River Parkways Grant Program.

BACKGROUND:

The California Resources Agency has announced a competitive grant program for river parkways projects. Eligible projects must provide access or be a component of a larger parkway plan that provides public access. An enhancement to the San Timoteo Channel Trail falls within the parameters of this program.

ANALYSIS:

The City, using grant funds, will include information on habitat and conservation that meets the eligible criteria set forth by the Resources Agency. This will be in a display incorporated into a 200 square foot restroom facility located adjacent the trail on city owned property. The restroom will be ADA compliant, have 2 stalls and 1 sink in each side with 2 drinking fountains attached to the outside. Three park benches will be placed along the trail as well. The total grant request is for $410,000. This amount includes the required plans, specifications, permits and infrastructure.
