PROCLAMATION

NATIONAL MENTORING MONTH

JANUARY 2018

WHEREAS, January has been designated as NATIONAL MENTORING MONTH to focus national attention on the need for mentors, as well as how each of us - individuals, businesses, government agencies, schools, faith communities and nonprofits - can work together to increase the number of mentors to assure brighter futures for our young people; and

WHEREAS, the NATIONAL MENTORING MONTH public awareness campaign, recognized by presidential and congressional proclamation and led by MENTOR, and in conjunction with the Harvard T.H. Chan School of Public Health and Highland Street Foundation, illustrates that when matched through quality mentoring programs, mentors can play a powerful role in providing young people with the tools to make responsible decisions, stay focused and engaged in school, and reduce or avoid risky behavior like skipping school, drug use and other negative activities; and

WHEREAS, a recent report titled "The Mentoring Effect", indicates that young people who were at-risk for not completing high school but had a mentor were 55% more likely to be enrolled in college than those who did not have a mentor; 81% were more likely to participate regularly in sport or extracurricular activities; 78% more likely to volunteer regularly in their communities; and more than twice as likely to say they held a leadership position in a club or sports team; and

WHEREAS, The Mentoring Resource Specialist and the Mentoring Task Force is designated to bring together existing mentoring programs and resources, sharing information, and facilitating mentoring relationships between youth being served by the Department of Behavioral Health, Children and Family Services, Probation and community based mentoring programs;

NOW, THEREFORE, I, Rhodes Rigsby, Mayor of the City of Loma Linda, on behalf of the entire City Council, proclaim the month of January 2018 as

NATIONAL MENTORING MONTH

and encourage organizations, schools, non-profit organizations, businesses, institutions, and citizens to engage in activities and partnerships that support mentoring with programs that promote positive outcomes, such as improved self-esteem, social skills and knowledge of career opportunities.

COUNCIL AGENDA: January 23, 2018

TO: City Council

FROM: T. Jarb Thaipejr, City Manager/Public Works Director T.J.T.

SUBJECT: Appropriate \$158,000 and Award of Contract for Pavement Rehabilitation Various Locations Citywide. (CIP 17-179)

Approved/Continued/Denied
By City Council
Date _____

RECOMMENDATION:

It is recommended that the City Council appropriate \$158,000 from Gas Tax fund balance and then award a contract for the subject project to All American Asphalt of Corona, CA in the amount of \$143,500 and authorize a contingency allocation of \$14,400 (+/- 10%).

BACKGROUND:

The City Council approved Capital Improvement Project list which includes the pavement rehabilitation of Anderson Street from Barton Road to Lawton Street, Mountain View Avenue at the UPRR Bridge, Curtis Street from Redlands Boulevard north to the end. City staff is constantly monitoring infrastructure for signs of aging. The Tulip Street from Iris Street to Anderson Street has been on the watch list in recent years. Funding has been enhanced by the new SB1 gas tax. Therefore, due to the favorable unit price, the extra work on Tulip Street is being requested.

ANALYSIS:

Three (3) bids were received and publicly opened on January 16, 2018. Bids ranged from a low of \$118,497 to a high of \$151,000 (see attached). The Engineers estimate is \$154,405. The budget estimate from SB1 for this item is \$139,269 with the remaining Gas Tax fund balance of \$48,314 bringing available funding to \$187,583. The low bidder, All American Asphalt of Corona, has been checked for references and license. This contractor has previously performed satisfactorily for the City. It is not unusual for a construction project to experience the need to add or reduce the quantities of work items or the scope of work as field conditions dictate. This is generally caused by unforeseen circumstances or work needed to maintain the integrity of the project. Therefore, Staff recommends an allocation of \$14,400.00 ($\pm 10\%$ of contract) for such circumstances. City staff will provide inspection and management services.

FINANCIAL IMPACT:

Appropriate \$158,000 Gas Tax fund balance into Expenditure Account No. 07-7300-8500.

City of Loma Linda Official Report

Rhodes Rigsby, Mayor
Phillip Dupper, Mayor pro tempore
Ronald Dailey, Councilman
John Lenart, Councilman
Ovidiu Popescu, Councilman

COUNCIL AGENDA: January 23, 2018

TO: City Council

FROM: T. Jarb Thaipejr, City Manager/Public Works Director T.J.T.

SUBJECT: Appropriate \$2,297,500 from Capital Projects SA Bond Proceeds Balance and \$1,400,000 from Traffic Impact Capital Fund Balance Then Award Contract to Construct California Street & Redlands Boulevard Street Widening Project.

Approved/Continued/Denied
By City Council
Date _____

RECOMMENDATION:

It is recommended that the City Council appropriate \$2,297,500 from Capital Projects SA Bond Proceeds Balance and \$1,400,000 from Traffic Impact Capital Fund Balance, then award contracts for the construction of the subject project to Riverside Construction Company, Inc. of Riverside for an amount of \$3,575,216.00 and for construction engineering, including but not limited to structural, traffic, soils, civil, surveying and archeological, in an amount not to exceed \$77,250; additionally, to purchase agricultural rehabilitation in-lieu fee credit form Riverside-Corona RCD in the amount of \$254,400 and approve a contingency amount of \$357,500. City staff will provide construction management oversight.

BACKGROUND:

This project is on our Capital Improvement Program Projects list that was approved by City Council. The original plan set, approved 20 years ago, have been updated to meet current conditions. The necessary environmental clearances and various agreements with other agencies are in place or agreed to. The Environmental consultant negotiated the favorable price and terms for the agricultural land offset to obtain State clearances.

ANALYSIS:

Five (5) bids were received and opened on January 16, 2018 for this work. Bids ranged from a low of \$3,575,216.00 to a high of \$4,624,769.00 (see attached). The low bidder, Riverside Construction Company, Inc. of Riverside, has been checked for references and license. It is not unusual for a construction project to experience the need to add or reduce the quantities of work items or the scope of work as field conditions dictate. This is generally caused by unforeseen circumstances or work needed to maintain the integrity of the project. Therefore, Staff recommends an allocation of \$357,500 (±10% of contract) for such circumstances.

FINANCIAL IMPACT:

Appropriate \$2,297,500 from Capital Projects SA Bond Proceeds Balance into Expenditure Account No. 45-2400-8500 and \$1,400,000 from Traffic Impact Capital Fund Balance into Expenditure Account No. 12-2340-8500. Then funding will be available. The City of Beaumont has agreed to reimburse the City their cost share of \$250,500.

COUNCIL AGENDA: January 23, 2018

TO: City Council

FROM: T. Jarb Thaipejr, City Manager *T.J.T.*

SUBJECT: Approve an Agreement with City of Beaumont to Install a Brine Line in California Street at Redlands Boulevard.

Approved/Continued/Denied By City Council Date _____
--

RECOMMENDATION:

It is recommended that City Council approve an agreement with City of Beaumont to Install a Brine Line in California Street at Redlands Boulevard and authorize the City Manager to sign the agreement.

BACKGROUND:

Our Capital Improvement Program (CIP) Projects list, approved by City Council, contains the California Street south of Redlands Boulevard widening project. Upon completion of the project there will be a moratorium for cutting the newly paved roadway. Therefore, staff has reached out to various agencies to allow construction prior to or in conjunction with our anticipated project. The City of Beaumont has responded with a request to be included in the CIP project as an additive alternate.

ANALYSIS:

The bids submitted for the project were competitive and acceptable to the City of Beaumont. Therefore, we are proceeding with this agreement contingent upon award of the project by City Council at this meeting. The addition of this additional work will not hinder our portion of the project nor interfere with existing utilities.

FINANCIAL

Approval of the agreement allows the City of Loma Linda to coordination of the brine line in conjunction with the California Street widening project. The City of Beaumont agrees to bear the cost of the additional work.

**REIMBURSEMENT AGREEMENT
BETWEEN CITY OF BEAUMONT UTILITY AUTHORITY AND CITY OF LOMA LINDA
FOR BRINE PIPELINE INSTALLATION AT REDLANDS BOULEVARD AND
CALIFORNIA STREET INTERSECTION IN LOMA LINDA, CALIFORNIA**

THIS AGREEMENT is made and entered into as of _____, between the CITY OF BEAUMONT UTILITY AUTHORITY, California, a municipal corporation, hereinafter referred to as "BUA" and the CITY OF LOMA LINDA, a municipal corporation, hereinafter referred to as "CITY." In consideration of the mutual promises and covenants contained herein, the parties hereto mutually agree as follows:

Section I. Purpose. The purpose of this Agreement is to establish reimbursement to CITY by BUA for the cost of the construction of the brine pipeline at Redlands Blvd and California Street intersection in Loma Linda, California as shown on the attached BUA plans which are made part of this Agreement as Exhibit "A", in conjunction with the street improvements of the CITY on Redlands Blvd and California Street intersection, hereinafter referred to as "PROJECT. Pursuant to this Agreement, BUA agrees to pay for the construction of the brine pipeline that is located in the CITY's right-of-way and are related to the PROJECT.

Section II. Bid Items. BUA shall reimburse CITY one hundred percent (100%) of the costs (hereinafter referred to as "REIMBURSEMENTS"), for the installation of the brine pipeline within the PROJECT area. The costs for the REIMBURSEMENT to CITY by BUA shall include those the brine pipeline as shown on the attached plans in Exhibit "A" and as stated on Bid Schedule II, which are made a part of this agreement as Exhibit "C". The engineers estimate for the bid items and the estimated total bid price are provided in Bid Schedule II, in Exhibit "C". BUA shall reimburse the CITY using the actual bid prices.

Section III. Construction and Costs.

a. Bidding. Costs for the construction are based upon the construction bids that will be received for the PROJECT for the Bid Items referenced in Section II ("Bid Items") as shown on the Bid Sheet for the PROJECT. CITY will evaluate and analyze all bids received and select the lowest responsible bidder for the PROJECT (hereinafter referred to as "CONTRACTOR") and review the costs BUA for financial approval of Bid Schedule II costs prior to award of the contract. BUA requires that the CONTRACTOR who will perform work on the brine pipeline (Bid Schedule II) shall have either an "A" or "C34" Contractor's License.

b. BUA Right to Perform. To provide BUA the option to perform the work identified at Section II, the CITY's construction bid package shall identify BUA's Bid Items as Additive Bid Items. Upon receipt of the bids and determination of the lowest responsive and responsible bidder for the PROJECT, the CITY shall notify BUA of its identified portion of the construction costs for the Bid Items. Upon prior written approval by BUA, BUA may elect to have the CITY's CONTRACTOR not perform the Bid Items and elect, instead, to perform the Bid Items itself to the same specifications bid upon by the CITY's CONTRACTOR. If BUA elects to perform the Bid Items, BUA shall bear all costs associated with that work and the CITY shall instruct its CONTRACTOR not to perform the Bid Items. BUA shall be given a "construction window" inside the PROJECT traffic control to complete brine pipeline installation. However, BUA shall bear all costs associated with separating the street improvements and brine pipeline installation, included but not limited to, delay to the CITY'S CONTRACTOR or utility coordination efforts needed by having multiple

contractors on site. BUA shall provide written notice of its determination to perform the Bid Items within fourteen (14) calendar days from the date of receipt of the CITY's identification of its lowest responsive and responsible bidder or BUA waives any right to construct the Bid Items.

c. Payment. BUA shall maintain as a contingency an amount equal to ten percent (10%) of the total estimated costs of the brine pipeline installation to account for unforeseen changes to the PROJECT. The CITY shall obtain written approval from BUA prior to the approval of any change orders associated with the installation of those improvements, and authorizing the CONTRACTOR to proceed unless failure to act immediately may affect public safety. The cost of any delay in the work due to the delayed action of BUA in approving change orders associated with PROJECT construction shall be borne by BUA. BUA shall respond to any PROJECT change orders within fourteen (14) calendar days.

CITY shall make payment to CONTRACTOR for work performed. Actual costs shall be identified and billed to BUA for payment on the following basis:

The CITY shall invoice BUA using progress payments or upon completion of the PROJECT, at the discretion of the CITY. BUA shall remit payment to the CITY within thirty (30) days of receipt of the approved invoice.

Section IV. Plans, Permits and Contacts.

a. Plans and Specifications. It is acknowledged that BUA has reviewed and approved all BUA plans and specifications for the installation of the brine pipeline as shown on the attached plans and the estimated bid amount is reasonable.

b. CEQA. The CITY shall be responsible for obtaining any and all environmental permits and approvals as may be necessary for the PROJECT including, but not limited to, compliance with requirements imposed under the California Environmental Quality Act ("CEQA") as may be applicable.

c. Agreement Management. Management and administration of the terms expressed herein shall be performed by CITY for the PROJECT. CITY agrees to designate **T. Jarb Thaipejr, City Manager/Director of Public Works**, as the contact for CITY in regards to this agreement. BUA agrees to designate **Amer Jakher, Director of Public Works/City Engineer**, as a point-of-contact for BUA to facilitate the REIMBURSEMENTS identified herein.

Section V. Inspection. BUA shall provide and pay for inspection of all new and relocated facilities associated with this PROJECT described in Section II of this agreement.

BUA shall be responsible to inspect the construction of all BUA facilities and the performance of the involved work by CITY's CONTRACTOR for compliance with the approved construction plans and specifications or for its own work if such work has been undertaken by BUA pursuant to Section III(b). BUA's inspection personnel shall have the authority to enforce BUA's construction plans and specifications for the PROJECT, which authority shall include the authority to require that any and all unacceptable materials, workmanship, and/or installation be replaced, repaired, or corrected by CITY's CONTRACTOR without cost to BUA. All inspection costs incurred by BUA will be solely financed by BUA.

If, through the failure of BUA to provide access and control of the construction site within the time allotted by the Project Specifications, the CITY's CONTRACTOR sustains loss which could not

have been avoided by the judicious handling of forces and equipment, BUA shall be liable for that part of the CITY's CONTRACTOR's actual loss, that was unavoidable in accordance with State of California, Department of Transportation Standard Specifications section 8-1.09, RIGHT-OF-WAY DELAYS.

Section VI. Insurance and Indemnity. For the period during which CITY or its CONTRACTOR(s) controls the job site, CITY will provide, or cause to be provided, for the entire period of construction, a policy of workers' compensation insurance and comprehensive general liability insurance with coverage broad enough to include the contractual obligation it may have under the construction contract and having a combined single limit of liability in the amount of \$2,000,000 covering BUA's officers, employees, and agents as additional insureds.

RECOMMENDATION:

It is recommended that the City Council, as the Successor Agency to the Redevelopment Agency, adopt City Council Bill #R-2018-03 approving the Successor Agency’s administrative budget and City Council Bill #R-2018-04 approving the ROPS for the period of July 1, 2018 through June 30, 2019.

BACKGROUND AND OVERVIEW:

Assembly Bill x1 26 (Redevelopment Dissolution Statutes) requires each successor agency to prepare a ROPS using a form provided by Department of Finance (“DOF”), which sets forth the minimum payment amounts and due dates for all enforceable obligations of the former redevelopment agency for each six-month fiscal period. The ROPS also includes authorization for the administrative obligations necessary for the continued administration of the successor agency to wind down the former redevelopment agency.

The first major change to AB x1 26 was AB 1484, the redevelopment dissolution/unwind trailer bill passed by the Legislature and signed by the Governor on June 29, 2012. AB 1484 made certain technical and substantive amendments to AB x1 26 including actions related to the ROPS. Under AB 1484, this ROPS must be approved by the Oversight Board and submitted to DOF by October 1st. Failure to do so will result in a \$10,000 per day penalty assessed against the City of Loma Linda.

The second major change to the Redevelopment Dissolution Statutes occurred in 2015 by SB 107. SB 107 was adopted in September 2015 and became effective immediately as a budget trailer provision. It changed ROPS deadlines and requirements and delayed the consolidation of oversight boards. Starting with 2016-17, the ROPS is changed to an annual ROPS and includes

two six month fiscal periods: “A” covers the period of July 1st to December 31st and “B” covers the following January 1st through June 30th. In San Bernardino County, the current 26 oversight boards are to be consolidated into a single oversight board for the entire County starting in July, 2018.

Status on ROPS 2017-18

ROPS 2017-18 was approved by the Oversight Board and submitted to DOF prior to the February 1st deadline. DOF again approved expenditures related to the City loan based on the litigation settlement agreement. They again denied administrative costs reimbursements for the Housing Successor. DOF continued to deny this cost even after conducting a Meet and Confer conference with the Successor Agency

Administrative Budget

The administrative budget includes two 6 month periods to coincide with the ROPS. Both amounts proposed by the Successor Agency are equal to the minimum as provided in state law. The budget line item amounts are based, in part, on prior expenditures as adjusted by amounts estimated to be needed in the current year.

Summary ROPS 2018-19

The entries included in the current ROPS have gotten very straightforward: payments for the 2016A and 2016B Bond debt service; repayment of the City loan; costs related to supporting the bonds, such as trustee fees; and costs associated with maintaining the properties the Agency still owns.

As a reminder, there are two ROPS entries for each of series of bonds, payments for which are due in semiannually in February and August. One is to account for the payment that will become due in the upcoming period and one which is required as a reserve for ½ of the principal payment due in the subsequent ROPS period. This reserve is required by the Bond Indenture and is designed to even out the semi-annual debt service funding requirement.

As you may recollect two line items on previous ROPS (the repayment of City loan and the annual reimbursement to the City for a portion of the 2002 Lease Revenue Bonds) were under litigation but were resolved in 2015 by entering into a Settlement Agreement with the State. Under the Settlement Agreement, the Agency could use all of the RPTTF not needed for other expenses to repay the amount due on the City loan that was in arrears (Past Due Amount). The entries for ROPS 2018-19 continue to reflect the terms of the Settlement Agreement, but because the Past Due Amount will be fully retired in 2017-18B, the enclosed ROPS only reflects the approved semi-annual repayment amount of \$819,574 in both the A and B cycle.

FINDINGS AND ALTERNATIVES:

The alternatives available to the City and the Successor Agency, respectively, are to adopt the resolution approving the budget and adopt the resolution approving ROPS 2018-19; or provide staff with alternative direction.

SUBJECT: Council Bill #R-2018-08 - Sale of real property located at the Northwest corner of Redlands Blvd. and Richardson St. APN 0281-162-33 and 0281-162-34.

RECOMMENDATION

It is recommended that the City Council adopt Resolution #R-2017-35 and approve the sale of the property located at the Northwest corner of Redlands Blvd. and Richardson St. APN 0281-162-33 and 0281-162-34 (the "Property") and authorize and direct the Executive Director of the Successor Agency to execute an agreement substantially in the form of the draft entitled "Purchase and Sale Agreement and Joint Escrow Instructions" (the "Agreement") as submitted herewith.

BACKGROUND

The above referenced property was previously owned by the former Loma Linda Redevelopment Agency ("Former Agency") and, in connection with the dissolution of redevelopment agencies in California, became the property of the Successor Agency. As required by dissolution law, and consistent with the long rang property management plan ("LRPMP") as previously approved by the Successor Agency, the Oversight Board, and the California Department of Finance ("DOF"), the Property is to be disposed of by the Successor Agency. Successor Agency staff has sought to obtain offers for the purchase of the Property. Recently, Successor Agency staff received two offers from private parties to Purchase the Property. The basic parameters of the offers received are as follows:

- Offer #1 The offer is for a sales price of \$550,000.00 from a local restaurateur who has expressed the intention of developing on the Property a specialty restaurant (Asian vegetarian), a gourmet market, and multiple express food cafes.
- Offer #2 The offer is for a sales price of \$985,000.00 from a local real estate broker and developer with the expressed intention of developing the property as an auto parts retailer (affiliated with a national chain) and a gas station.

Each of the two amounts offered exceeds the amount attributed as an estimated value for the Property in the LRPMP. Successor Agency staff obtained an appraisal from an independent real estate appraiser which determined a value for the Property of \$985,000.00.

On September 12, 2017, the Oversight Board and Successor Agency approved the sale of the property for the second offer. The purchaser's original tenant was unable to complete their due diligence and close the sale within the proscribed time frame. The purchaser is requesting a new agreement with an extended time frame to complete their transaction.

ANALYSIS

There have been no additional offers from other parties. The purchaser is agreeing to the original sale price.

Successor Agency staff has caused to be prepared the draft Agreement which would, upon approval by the governing board of the Successor Agency and the Oversight Board. The Agreement, in the form proposed, includes an allowance of time for a possible response to the proposed sale by DOF.

ENVIRONMENTAL

This is a sale of real property and is exempt from CEQA. Environment issues raised through the development process will be addressed through that mechanism.

FINANCIAL IMPACT

Approximately \$985,000.00, less certain costs of sale allocated to the Successor Agency as seller, to be distributed per the dissolution requirements to the taxing agencies.

An increase in property tax reflective of the improvements to Property as well as the change from the Property being off the rolls (as publicly owned property) and property that will be assessed based, initially, upon the sales price and, should improvements thereafter be made, on the improvements, as well. While the Agreement does not require that any construction be undertaken on the Property, each of the offerors has indicated an intention to proceed, at some unspecified time, with some level of development.

This PURCHASE AND SALE AGREEMENT AND JOINT ESCROW INSTRUCTIONS (“Agreement”) is made and entered into as of January 23, 2018 (the “Effective Date”) by and between Seller and Buyer. This Agreement must be signed by Buyer by not later than January 23, 2018.

RECITALS

A. Seller is the fee owner of that real property which is legally described on Exhibit A attached hereto and made a part hereof (the “Real Property”). The Real Property is unimproved.

B. Buyer is familiar with the Real Property and has determined on a preliminary basis that the Real Property is suitable for use by Buyer.

C. Buyer has offered to purchase from Seller the Real Property described herein for the price and subject to the terms set forth below. Seller has considered the offer by Buyer and, subject to the terms and conditions of this Agreement, agrees to sell to Buyer the Real Property, as more specifically described below.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Buyer agree as follows:

1. Purchase and Sale. Seller hereby agrees to sell the Real Property to Buyer, and Buyer hereby agrees to purchase the Real Property from Seller, on the terms and conditions set forth in this Agreement. The term Real Property is defined as the fee interest in the Real Property to be conveyed by a grant deed in the form of the Disposition Deed.

2. Payment of Consideration. As consideration for the sale of the Real Property from Seller to Buyer, Buyer shall, at the Closing (as defined below), pay to Seller the Purchase Price for the Real Property. Upon payment of the Purchase Price to Seller, the disposition of such moneys by Seller is a matter with which Buyer is not concerned.

3. Escrow and Independent Consideration.

(a) Opening of Escrow. For the purposes of this Agreement, the escrow (“Escrow”) shall be deemed opened (“Opening of Escrow”) on the date that Escrow Holder receives a copy of this Agreement fully executed by Buyer and Seller. Buyer and Seller shall use their best efforts to cause the Opening of Escrow to occur on or before five (5) business days after the Effective Date. Escrow Holder shall promptly notify Buyer and Seller in writing of the date of the Opening of Escrow. Buyer and Seller agree to execute, deliver and be bound by any reasonable or customary supplemental escrow instructions or other instruments reasonably required by Escrow Holder to consummate the transaction contemplated by this Agreement; provided, however, that no such instruments shall be inconsistent or in conflict with, amend or supersede any portion of this Agreement. If there is any conflict or inconsistency between the terms of such instruments and the terms of this Agreement, then the terms of this Agreement shall control. Without limiting the

generality of the foregoing, no such instruments shall extinguish any obligations imposed by this Agreement or any other agreement between Seller and Buyer.

(b) Independent Consideration. Within three (3) days after the Effective Date, Buyer shall deliver to Seller Five Hundred and No/100 Dollars (\$500.00) as non-refundable independent consideration (the "Independent Consideration"). The Independent Consideration has been bargained for and agreed to as consideration for Seller's execution and delivery of this Agreement and for the rights and privileges granted to Buyer herein, including any and all rights granted to Buyer to terminate this Agreement under the circumstances provided for herein. Notwithstanding anything to the contrary contained in this Agreement, the Independent Consideration shall be non-refundable in all events, except for: (i) Seller's default hereunder, (ii) the failure of the Oversight Board to approve the sale of the Real Property as provided under this Agreement, and (iii) actions by the California Department of Finance which prevent the disposition of the Real Property to Buyer as provided under this Agreement. If the Closing occurs, Seller shall inform the Escrow Holder that the Independent Consideration has been received by Seller from Buyer and a credit shall be applied to the Purchase Price based upon payment of the Independent Consideration so received by Seller.

(c) Closing. For purposes of this Agreement, the "Closing" or "Closing Date" shall be the date the Disposition Deed is recorded pursuant to applicable law in the county in which the Real Property is located. Unless changed in writing by Buyer and Seller, the Closing shall occur on the Closing Date, or as soon thereafter as the conditions precedent to closing are satisfied pursuant to Sections 6 and 7 of this Agreement. The parties acknowledge that, if conditions precedent have been satisfied pursuant to Sections 6 and 7 of this Agreement prior to the Outside Date, the parties may proceed to a Closing that occurs prior to the Outside Date. If the Closing has not, for any reason, occurred by the Outside Date, then either Buyer or Seller may terminate this Agreement by delivering written notice to the other at any time after the outside Closing Date; provided, however, that if either party is in default under this Agreement at the time of such termination, then such termination shall not affect the rights and remedies of the non-defaulting party against the defaulting party. Notwithstanding the foregoing portion of this Section 3, if the Closing occurs prior to delivery of a termination notice by either party, then neither party shall have the right to terminate this Agreement pursuant to this Section 3(c).

4. Seller's Delivery of Real Property and Formation Documents. Within ten (10) days after the Effective Date, Seller shall deliver to Buyer the following items (collectively, the Property Documents"):

(a) Such proof of Sellers' authority and authorization to enter into this Agreement and to consummate this transaction as may be reasonably requested by Buyer and the Title Company consistent with the terms of this Agreement, including without limitation approval of the Oversight Board of the sale of the Real Property by Seller to Buyer

(b) Copies of all plans, consulting reports, permits, surveys and inspections for improvements done by the City with respect to the Real Property that constitute public records; provided that any such information as so provided shall be provided without warranty and without any representations (including without limitation regarding accuracy, completeness or suitability).

In addition, Seller shall cause Escrow Holder to obtain and deliver to Buyer a Natural Hazard Report as provided for under Sections 1102 and 1103 of the California Civil Code (the "Natural

Hazard Report”) on or before the date which is five (5) days prior to the Soil and Title Contingency Date.

5. Buyer’s Right of Entry. From and after the Opening of Escrow through the earlier to occur of the termination of this Agreement or the Closing Date, or as otherwise agreed in writing by Seller prior to the time entry is effected, Buyer and Buyer’s employees, agents, consultants and contractors shall have the right to enter upon the Real Property during normal business hours, provided reasonable prior notice has been given to Seller.

(a) Investigation of the Real Property. In addition to the foregoing, the Buyer shall have the right, at its sole cost and expense, prior to the Closing Date, to engage its own environmental consultant (the “Environmental Consultant”) to make such investigations as Buyer deems necessary or appropriate, including any “Phase 1” or “Phase 2” investigations of the Real Property. If, based upon such evaluation, inspections, tests or investigation, Buyer determines that it, in its discretion, does not wish to proceed with purchase of the Real Property based upon the condition of the Real Property, Buyer may cancel this Agreement by giving written notice of termination to Seller on or before the Closing Date which specifically references this Section 5. If Buyer does not cancel this Agreement by the time allowed under this Section 5, Buyer shall be deemed to have approved the evaluation, inspections and tests as provided herein and to have elected to proceed with this transaction on the terms and conditions of this Agreement. Seller shall be provided a copy of all reports and test results provided by Buyer’s Environmental Consultant promptly after receipt by the Buyer of any such reports and test results without any representation or warranty as to their accuracy or completeness.

Buyer shall bear all costs, if any, associated with restoring the Real Property to substantially the same condition prior to its testing by or on behalf of Buyer if requested to so do by Seller but excluding any latent defects or Hazardous Materials (as defined below) discovered by Buyer during its investigation of the Real Property. Buyer agrees to indemnify, protect, defend (with counsel satisfactory to Seller) and hold Seller and the Real Property free and harmless from and against all costs, claims, losses, liabilities, damages, judgments, actions, demands, attorneys’ fees or mechanic’s liens arising out of or resulting from any entry or activities on the Real Property by Buyer, Buyer’s agents, contractors or subcontractors and the contractors and subcontractors of such agents, but in no event shall the indemnity of this Section include the discovery of pre-existing conditions by Buyer or any such liabilities, costs, etc. arising from the negligence or willful misconduct of Seller and/or its consultants. The indemnity obligations of Buyer set forth in this Section 5(a) shall survive any termination of this Agreement or the Close of Escrow.
